**4 DAYS ADVANCE COURSE ON QUALITY &
HOW TO GET INVESTMENT
CLASSROOM & DISTANCE LEARNING COURSE**

Dear Sir,

As is widely known, **International Institute of Quality (IIQ)** conducting various technical courses inviting interested personnel/technocrats for enhancing & fine-tuning of the skill.

International Institute of Quality (IIQ) organizing **Four Days Advance Course on Quality & How to Get Investment** Classroom & online Training course.

a) INTRODUCTION

The **International Institute of Quality (IIQ)** is dedicated to developing quality professionals, entrepreneurs, and business leaders through industry-focused education, practical training, and professional certification programmes. The **4 Days Advance Course on Quality & How to Get Investment** is designed for entrepreneurs, start-up founders, quality professionals, MSME owners, and business executives who aim to build quality-driven organizations while understanding how to secure funding for business growth.

The programme provides comprehensive knowledge of quality management systems, quality assurance, process improvement, operational excellence, business planning, financial management, investment readiness, and fundraising strategies. Participants will learn how implementing quality practices enhances business performance, customer satisfaction, and investor confidence. The course also covers business valuation, funding sources, investor expectations, business plan preparation, and effective pitch presentation techniques. Through practical workshops, case studies, expert mentoring, and interactive sessions, participants will gain the skills required to achieve quality excellence and successfully attract investment for sustainable business growth.

b) OBJECTIVE OF THE COURSE:

The objective of the **4 Days Advance Course on Quality & How to Get Investment** is to equip participants with advanced knowledge of quality management and practical strategies for business growth and investment readiness. The program aims to strengthen competencies in quality assurance, process improvement, operational excellence, business planning, financial management, and risk management while providing an understanding of funding options, investor expectations, business valuation, and pitch presentation. By the end of the course, participants will be able to implement quality-driven business practices and confidently prepare their organizations to attract investment and achieve sustainable growth.
